

Certified Instructor Program OVERVIEW

BECOME A CERTIFIED INSTRUCTOR OF AWARD-WINNING PROGRAMS

If you're a human resources, training, or other professional with strong facilitation skills and a commitment to building and modeling a civil, inclusive and productive workplace, consider becoming an ELI® Certified Instructor. Our Certified Instructor Program (CIP) offers a dynamic, interactive course to give you the knowledge and skills needed to deliver ELI's award-winning learning solutions to your organization.

Our train-the-trainer program consists of a three-day, hands-on workshop where participants learn the foundation of ELI's learning philosophy, methodologies and course content. You will experience a Civil Treatment® course as a participant, and then have the opportunity to practice presenting course segments yourself.

CIVIL TREATMENT WORKPLACE CERTIFICATION

Participants in this CIP will immerse themselves in our Civil Treatment Workplace Initiative for Leaders and Employees. Once certified, participants will help their organization build better and more effective behaviors aligned with mission, values and goals-- and maintain those changes for the long term.

CIVIL TREATMENT BASICS FOR GOVERNMENT

In this CIP, participants practice and explore the learning philosophy and methodologies of Civil Treatment for Leaders Government and Civil Treatment for Employees Government training programs. Once certified, participants will know how to facilitate these two courses for maximum impact to their Agency.

BUILDING AN INCLUSIVE WORKPLACE CERTIFICATION

In this CIP, participants will explore and practice teaching our diversity and inclusion program, Civil Treatment: Building an Inclusive Workplace for Leaders and Employees. Upon certification, participants will be equipped with the skills to build highly inclusive teams and leverage differences to maximize results.

CIVIL TREATMENT WORKPLACE: INCLUSION NOW CERTIFICATION

In this CIP, participants will explore and practice our newly updated Diversity, Equity & Inclusion program, Civil Treatment Workplace: Inclusion NOW for Leaders and Employees. Upon certification, participants will be equipped with tools to build highly inclusive teams and honor peoples' differences to maximize results.

PROFESSIONAL GLOBAL WORKPLACE CERTIFICATION

In this CIP, participants will focus on applying the organization's values, global Code of Conduct, and other standards to help global leaders explore the business reasons for maintaining a professional, inclusive workplace. Participants will learn how to facilitate learning experiences that use a simple set of global guidelines to analyze issues affecting the work environment and business decision-making.
